C. C. CARLIN HEADS S. S. BALL LEAGUE

Takes Place of Robert H. Cox, Who Resigned

FOUR TEAMS TO PLAY

Tag Day May 7 for Benefit of League. Opening Game to be Played May 17.

C. C. Carlin was elected president of the Alexandria Sunday School Base Ball League at its meeting at the Chamber of Commerce last night Robert H. Cox having resigned. Mr. Cox explained that he considered it best for him not to accept the presidency of the league inasmuch as he was directly responsible for one of the teams in the league. Mr. Cox then nominated Mr. Carlin, an old base ball player friend of his, and the league by a rising vote made the election unanimous.

Rules to govern the league during the playing season were adopted and many details determined at the meeting which included representatives of the four Sunday Schools represented in the league. The boys decided to hold a tag day May 7 for the benefit of the league, when the young ladies of the Sunday Schools will assist their brothers in getting a good start this year.

The opening game of the season was set for May 17. It is planned to have a parade of all of the teams with the Citizens' Band in attendance. The opening game will be between the M. E. South Sunday School team and the one from the First Baptist School, with the Second game Friday afternoon May 20 between the Trinity and Second Baptist teams.

The meeting last night was well attended and the boys were enthusiastic over the prospects for base ball in Alexandria this season. The league season will begin the middle of May and continue until the last of July. Two games a week will be played during the month of May and then four games each week will be played during the months of June and July. The next meeting of the league will be held at the chamber of commerce Thursday evening, May 5.

Held For Grand Jury

Soldiers Charge Barbers With Selling Liquor

Following a hearing in the police court today Samuel Petrolla and Morris Kelley, barbers were held for the action of the grand jury on a charge of violating the prohibition law. The arrest of these men followed the arrest of three soldiers on suspicion of having entered the shop of Petro Petrolla, on King street, and stolen $60. The soldiers were arraigned last night and acquitted today there not being any evidence against them. After their arrest it is stated that they first told of purchasing liquor. One of the soldiers testified he bought a quart of the jov fluid for $12 on Sunday Both of the accused men were at once released on furnishing a bail bond in the sum of $500 each.

The accused men were taken in curtody by Sergt. Campbell and Policeman Magner. Attorneys Carl Rudwesky and Charles Henry Smith represented the accused men.

Engagement Luncheon

Announcement of Engagement of Miss Hopkins To Mr. A. H. Saunders, of Richmond

Miss Julia Benton Hopkins, daughter of Mr. and Mrs. George D. Hopkins, entertained at luncheon followed by cards, this afternoon at her home, 311 North Washington street, when her engagement to Mr. Arthur Harrison Saunders, of Richmond, Va., was announced.

The mahogany table was most attractive, with a luncheon set of hand made lace, a small bride and groom in the center standing in a bower of white carnations, and white ribbons from the brides' bouquet running to each place card. These cards were dainty affairs picturing a cupid and containing the announcement of Miss Hopkins' engagement. The color scheme of white was carried out in all decorations, and as far as possible in the various courses of the luncheon.

One of the features was a large wedding cake, containing the prescribed ring, thimble, needle and coin, and ornamented with a tiny bride and groom.

For the parlors the white decorations prevailed, with touches of delicate green. Tally cards were pictured cupids, with pencils tied with green silk cords.

Miss Hopkins' house guests are Miss Viola Saunders, of Richmond, Mrs. Earl Gallcher, of Baltimore, and other guests were Miss Eleanor Eby, Miss Caroline O'Rourke and Mrs. Evan Hanson of Washington, Miss Anne Cabell, Miss Sarah Kemper, Miss Charlotte Kemper, Miss Hilda Schneider, Miss Collins Jones, Miss Marie Gasson, Miss Katherine Weller and Miss Nina Fulton.

An Appeal

The Red Cross and Anti-Tuberculosis visiting nurses are greatly in need of old cotton and linen rags. Quantities of these are used by the nurses, and as they are an absolute necessity, it is urged that every housekeeper immediately search her closets and trunks and leave a donation of her old household linen at the Red Cross room, chamber of commerce, at the earliest possible moment.

Married At Pohick

Miss Ruth Heishley Bride of Mr. Mr. Louie W. Peterson

A pretty wedding ceremony was solemnized at 4 o'clock yesterday afternoon at old Pohick Church, Fairfax county, when Miss Ruth Heishley and Mr. Louie W. Peterson were married, the Rev. E. W. Mellichampe, rector officiating. The wedding was attended by only the immediate relatives of the families represented. The couple were unattended.

The bride was becomingly gowned in a midnight blue tricolette traveling suit with hat to match and her flowers were a bouquet of orchids and roses. Following the ceremony the couple left for a northern bridal trip. Mr. and Mrs. Peterson will make their home in this city.

JOHNSON S. BROOKES FORMER RESIDENT, DIES

The funeral of Johnson Sinclair Brookes, a former resident of Alexandria, who died Monday at his residence at the New Hampshire Apartments, Washington, took place this afternoon from St. Thomas' Episcopal Church, Washington. The body was brought here and buried in Ivy Hill cemetery.

The deceased was a brother of William F. Brookes, of this city, and he is survived by his wife and two sons.

KIWANIS CLUB

About sixty members of the newly formed Kiwanis Club, of this city, will be guests of the Washington club at a luncheon tomorrow, at 12:30 o'clock, at the Hotel Washington.

Automobiles will be provided for the trip and all members desiring to attend are requested to be at Graham and Ogden's office by 11:30 a. m., tomorrow.

Social Held

Enjoyable Time Had by Those Attending Affair of Benefit Association of Railway Employees

A social and entertainment was given last night by the Alexandria Division No. 134, Benefit Association of Railway Employees in its hall over the Alexandria National Bank building which was attended by a large gathering of members.

Rev. Dr. E. V. Regester, pastor of the M. E. Church South, made an interesting address in which he praised the railway men for the manner in which they handle their work and he expressed himself as favoring fraternal insurance. A talk on the benefits derived from the foreign association was given by M. B. Thompson.

The audience was entertained with a recitation by Willard Blewett.

A band concert was given by the Citizens' Band.

At the conclusion of the program refreshments were served under the direction of the entertainmnt committe which was headed by R. A. Bowman

It is stated that this association which began with a membership of twelve now has on its roster more than 1,200 members.

All those who attended the affair expressed themselves as highly pleased with the evening's entertainment.

Officers Elected

Ladies' Auxiliary of Y. M. C. A., Held Annual Meeting

An election of officers by the Ladies' Auxiliary, of the Y. M. C. A., at the Chamber of Commerce last night resulted in the re-election of all of the officers of the past year President, Mrs. Harry B. Caton; first vice president, Mrs. C. J. Deahl; second vice president, Mrs. George R. Hill; secretary, Miss Helen Knight; treasurer, Mrs. Carroll Pierce.

Mrs. C. W. Wattles was chosen chairman of the social committee and Mrs. R. C. Acton, chairman of the educational committee. The Auxiliary has been organized a little less than a year and points with considerable pride to the achievements of that brief time. 13 socials have been given with an attendance of 1500; 19 motion picture shows to youngsters with an attendance of 2000; 6 sewing classes with an attendance of 230, and four gymnasium classes for women with an attendance of 70.

In addition to this rather routine work, the Auxiliary has given attention to innumerable affairs of a community anture, such as serving the dinner to the winning Sunday School in the Sunday School contest for attendance last Labor Day; entertaining the senior class of Alexandria High School, the serving of an oyster supper.

The attendance at the meeting last evening was unusually large and enthusiastic, and the women feel that greater things are ahead of them in the future. The social and educational work will be extended as rapidly as conditions will permit, while in co-operaton with other social agencies other community activities will be undertaken.

WATER FOR FIRES BEFORE COUNCIL

Fire Chief Ogden Resigns Post Effective April 30

$300,000 BONDS ASKED

Repeal of Speed Law for Fire Apparatus Defeated—Alexandria Lighting Co. Want Prevailing Rates.

J. J. Howell, general manager for the Alexandria Water Company, addressed a joint session of the city council last night relative to the proposed installation of new water mains in order to provide more adequate water supply for fire fighting purposes. Mr. Howell after reading two clauses from the charter of the company referred to the report of Chief Engineer Dickerson of the state corporation commission relative to the supply of water furnished by the company for fire fighting purposes. It would be unfair Mr. Howell said to have the consumers pay for water furnished for fire fighting purposes. Mr. Howell said the water company has no exclusive franchise here, and the city could install its own plant if it desired. He favored proper regulations for public utilities and favored one of each if properly regulated. The Water Company he said has a sacred duty to its stockholders but he declared it has absolutely nothing to conceal. The speaker gave figures of net receipts for year ending June 30, 1920, which he said showed only a net revenue of $15,202.99. This he said on a depreciated valuation netted only two and a half per cent to the stockholders.

The company he said should get a fair return on the extension of its mains on the outskirts of the city and he suggested that the committees having the matter in charge make up a statement of the streets where they want new mains together with size of same and the Water Company would make an estimate of the cost.

The Water Company Mr. Howell said is not getting something for nothing inasmuch as they furnish about 160 fire hydrants to the city with no cost for the water and in other places about $40 a year would be charged which would yield about $6,000. The Water Company he said wants to co operate with the city and is willing to go teh limit.

The supply of water and qualitk ageiy the Reliance and Relief Fire state and the water is pure and adequate. Mr. Howell was thanked for his address.

The joint session elected W. Clyde West city bacteriologist, and Miss Maragret Davis public health nurse for the city health department.

The joint committee on fire, finance, streets and geenral laws, on the petition presented some time ago by the Rliance and Relief Fire Companies, recommended that the speed laws for fire appaartus responding to fire alarms be revoked and the entire control of the fire department be put in the hands of the fire committee of city council and the chief of the fire department It also was set forth that an ordinance would be drawn by the corporation attorney fixing the speed at thirty five miles an hour. After some discussion a vote was taken on the measure and it stood 8 for the proposition and 6 against it. President Burke declared it passed. The point was then raised that tacked on to the speed regulation was a paper in addition to the report of the committee that should not have been presented with the paper regulating the speed of fire apparatus. President Burke then held the speed measure was defeated declaring it reqquired nine votes. Mr. Ruben appealed from the decision of the chair on this point and the chair as sustained by a vote of 10 to 4. the chair not voting.

Immediately afterward Fire Chief Kenneth W. Ogden submitted his resignation as chief engineer of the fire department effective April 30, and on motion of Councilman Lawler the resignation was laid on the table

Fire Chief Ogden submitted a proposition of the American La

(Continued on Page Four)

Dress Rehersal Tonight

Kathleen Mavourneen to be Presented Tomorrow and Friday Night

A full dress rehearsal of Kathleen Mavourneen will be held tonight at the Lyceum Hall promptly at 8:15, the time set for its performance on Thursday and Friday evenings of this week.

The closing endeavors of the players reveal a remarkable amount of amateur ability, and throughout the entire play is a real sway of genuine dramatic action. One of the most interesting features of the show from a dramatic standpoint is the fight at midright at the Black Craig when Terence O'Moore encounters Bernard Kavanaugh and some confederates in deadly combat, and succeeds in killing his assailants, Throughout this struggle is an unusual amount of action, and this with the effects of the new lighting system, promises to well impress upon the audience the initial endeavors of St. Mary's Junior Players.

Prior to the performance tomorrow night a reception will be given Rev. Father Winston, who will soon leave for his new station at Warrenton. The reception will take place at the Lyceum promptly at 7:30 o'clock, thus enabling everyone to take advantage of both opportunities The curtain of the drama will rise promtply at 8:15 and tickets may be procured at the hall tomorrow night and Friday night.

FUNERAL OF MRS. S. M. GROVES

Funeral services for Mrs. Susie M. Groves, who died Sunday at the residence of her son, J. T. Groves, Hyattsville, Md., took place this afternoon from the residence of her son, I. S. Groves, 507 South Henry street. They were conducted by Rev. Dr. E. B. Jackson, pastor of the First Baptist Church, and burial was in Bethel cemetery.

Report of Fire Speed

Submitted to Common Council at Meeting Last Night

Your joint committee on fire, finance, genral laws and streets recommend that all speed laws now governing response of fire apparatus to fire alarms be revoked by an ordinance to be prepared by the Corporation Attorney of the city of Alexandria, and that the entire control of the Fire Department be placed in the hands of the Fire Committee of City Council, with authority to make rules and regulations governing all matters pertaining to the Department and to hold the Chief Engineer of the Fire Department responsible for their observance.

Supplementing this report the Fire Committee begs to advise that in the event of the adoption of the report of the joint committees that it (the Fire Committee) proposes to make such rules as to fix the maximum speed at thirty five (35) miles an hour with due regard for congested districts, in which proper regulations will be promulgated whereby a lesser speed shall be maintained.

Your Fire Commitee is fully alive to the necessity of a greater speed than twenty-five miles an hour under certain conditions, which have been carefully studied and found to justify such action.

It also proposes to require the operators of appartus to maintain a safe distance between vehicles responding under advanced speed; to exercise more care in turning corners; to insist on the observance of the Chief Engineer's previous ruling with reference to fire districts, wherein companies out of the district from which the alarm is sounded shall respect the rights of the company stationed within that district and to approach the fire ground accordingly, and to make other minor changes as circumstances will from time to time justify.

WILLIAM DESMOND,
Chairman of Joint Committees on Fire, Finance, General Laws and Streets.

WANTED—An experienced stenographer and bill clerk. No others need apply. State experience and salary expected. Address Wholesale, Gazette Office. 99-6c

Gazette want adds always pay.

Speak Before League

Mayor Duncan and Mrs. C. E. Nicol Address Women Voters

Mayor James M. Duncan addressed a largely attended meeting of the League of Women Voters last night, at the chamber of commerce, and was followed by Mrs. Charles E Nicol in a talk on "The Legal Status of Woman."

Mayor Duncan spoke on "City Government," explaining in detail the duties of the mayor, members of council, board of aldermen, and other city officials. He spoke of the proposed bond issue before the meeting of council last night, the fact of more money being needed to improve the gas plant, the need of increased water supply, and additional school facilities. Mayor Duncan made a splendid speech that was greatly appreciated, giving information as to the working of the city government of great interest to the women voters.

Mrs. Nicol read a paper, prepared by her with the utmost care regarding the legal rights of women. Some of the most interesting points were, first, that the status of the unmarried woman can be disposed of in few words, as no distinction is made by our laws between the rights and capacities, duties and liabilities of an unmarried woman and her brother or father. Formerly she was debarred from participation in public affairs, as from voting, holding office, and practicing law. But now she enjoys all the rights that any man enjoys. She has the same legal rights and legal obligations. Second, to take up the subject of ally mad jTsedr mr mod mod o c the married woman: in the original Blackstone, the married woman was merely "the clinging vine" however in Virginia many of the disabilities of married women were removed in 1876, then by the Code of 1887 more extensive liberty was given. By the end of another period of twelve years, in 1899, married women were permanently liberated.

The results of changes in the laws may be summarized as giving a wife full control of her own property, in no wise liable for a husband's debts unless voluntarily. Her personal property she may give or will to whom she pleases.

Mrs. Nicol then spoke on the more familiar phases of the laws governing a woman's dower right in a husband's property and her rights in the divorce laws. The paper throughout showed earnest study of the subject and a splendid grasp of the most salient points, of interest to a body of women.

Miss Rose MacDonald presided and during the evening vacated the chair, requesting Mrs. William J. Morton to act as chairman, while she made the motion that the League endorse the Sweet Bill, now before Congress urging its passage, in support of the American Legion in its efforts for the relief of the disabled soldiers This motion was unanimously carried, placing the League of Women Voters on record as supporting the American Legion in relief legislation.

TWO FIRE COMPANIES TO MEET TONIGHT

It Is Reported Some of Volunteers May Disband

AWAIT THEIR ACTION

Relief Company to Assemble at 7:30 O'clock and Reliance Company Will Meet at 8 O'clock.

Meetings have been called for tonight by the Reliance Engine Company No. 5, and the Relief Truck Company No. 1. It is understood it is the intention of the fire companies to consider what action they will take relative to the decision of the city council last night in defeating the measure providing for repealing the speed regulations while responding to fire alarms.

It has been reported that some of the members of these companies may quit teh fire department. In the event of a complete disbandment of the volunteers of these two companies it would leave only one active volunter company in the field which would be the Columbia Company No. 4.

The first meeting to be held tonight will be the Relief Company which will assemble promtply at 7:30 o'clock, and the Reliance Company will meet at its company's house at 8 o'clock.

The action of the firemen in this matter is awaited with considerable interest.

As will be seen in the official proceedings of the city council, Fire Chief Kenneth W. Ogden tendered his resignation at a meeting held last night. His resignation, however, was laid on the table

Wedding Today

Miss Helen Roland Bride of Mr. G. Francis Downham

Miss Helen Gorman Roland, daughter of Mr. and Mrs. Richard Roland, became the wife of Mr. George Francis Downham, son of Mr. and Mrs. E. Francis Downham, at 10 o'clock this morning, in St. Mary's Catholic Church. The ceremony was performed by the Rev. L. F. Kelly, assitant pastor of St. Mary's Church.

The bride wore a suit of blue tricotine, trimmed with iridiscent beading. Stone Marten throw, a hat of black horse hair with glycerine ostrich. Her flowers were a corsage of orchids and valley lilies. She entered the church with her father, who gave her in marriage.

The maid of honor was Miss Florence Anita Evans, of Washington, cousin of the bride. Miss Evans wore a gown of gray Canton crepe, with Harding blue trimmings, gray straw hat with blue uncurled ostrich, and a corsage of pink Killarney rosebuds

Mr. Downham had as his best man his brother, Mr. L. Purvis Downham, while the ushers were E. E. Downham, Jr., brother of the groom, Norris P. Roland, brother of the bride, T. W. Robinson, Jr., and R. C. Ponton, of Washington.

The church was beautifully decorated with pink roses, ferns and palms. Preceding the ceremony Mr. George Jaeger played two violin solos, Mendelssohn's "Spring Song," and "Souvenir," by Drdla. Mrs. Robert Forsythe Downham, aunt of the groom, sang "Ah Promise Me," and "I Love You Truly," and during the mass Miller's, "Ave Maria."

Mr. Joseph L. Monroe, the organist at St. Mary's, played the wedding marches, with the violin accompaniment by Mr. George Jaeger

Following the ceremony a wedding breakfast was served at the home of the bride's parents, at 505 South Lee street, after which Mr. and Mrs. Downham left for New York, and will spend their honeymoon in the north. The house decorations were spring flowers and roses.

Efficiency in the Navy.

The cat is out the bag!

At last we have it, the Republican idea of what constitutes efficiency in the Navy.

Secretary Denby has ordered the restoration of the full dress uniform to the wardrobe of the scions of Annapolis.

It was the heartless, incompetent, prudish and narrow-minded Josephus Daniels who took away from the naval officers of the country their shining gold epaulets, their cocked hats and their fancy, trick uniforms. His audacity was never forgiven. His name was thenceforth anathema in all acceptable circles of the clan. Of course the fact that the naval dress uniforms are neither practicable, comfortable, good-looking or necessary was a small detail of little moment as compared with the great affront to Annapolis pride which their discontinuance involved.

And so the Republicans true to their pledges to substitute efficiency for inefficiency in the conduct of the government, have restored the full dress uniform to the Navy officers. Secretary Denby has become overnight a great hero in high Navy society, the dreadnaughts may now ride the sea without fear of submarines or torpedoes, the Navy is the Navy again and the nation is saved! Long live the G. O. P. and its efficiency experts.

The Beginning of a Budget.

The passage of the Good-McCormick budget bill by the United States Senate yesterday afternoon marks the beginning of the end of a long, hard fight for the establishment of plain, common-sense business principles in handling finances of the Government. The bill is not a perfect one by any manner of means. When passed by both branches of Congress, signed by the President and put into operation, it will in all probability develop its full share of disproportions and defects. It is, however, a step at last in the right direction.

There is hardly a business enterprise or concern of any importance in the entire country that does not at the beginning of its fiscal year figure out what its expenses will be and make some attempt to square them in advance with its prospective income. The great United States Government, collecting billions of dollars in taxes a year and spending as much or more, alone of them all has been content to drift along like a drunken spendthrift, with little if any notion of adjusting its appropriations to its income, with book-keeping methods of ante-bellum days and with almost complete lack of liaison between the Government's projects and its pocket-book.

The inauguration of the budget system should sound a death-knell for the time being at least to pork-barrel log-rolling in Congressional appropriations. It should make for a marked increase in governmental efficiency all along the line. And finally it should pave the way, through a scientific apportionment of the government's expenditures, for lower taxes.

It was quite unnecessary for President Harding to tell Prof. Albert Einstein that he does not understand his theory of relativity. The Einstein theory has no place in the realms of normalcy.

Now Germany offers to pay us the debts the Allies owe us. The Greeks bearing gifts and at their old tricks again.

Look over the Classified Column

"THE WORKINGMAN'S HOTELS"

The Salvation Army makes provision for the poor workingman of meagre wage who could not afford the luxuries of a clean bed in a respectable place for the five cents which these hotels charge.

There are 114 of these workingmen's hotels throughout the world, of which 60 are in the United States.

From 5c. to 25c. a man may secure a room with individual electric light, clean bed, with the privilege for a dime per night with a bed and locker in a large, airy dormitory.

Coffee and rolls are also furnished in some of the hotels.

While the men are expected to pay their way, orders and requests from other Salvation Army departments and various other established agencies of the cities are honored. Last year 518,142 beds were supplied free.

In these hotels they have regular band concerts and weekly religious services are conducted.

One of these, erected a little over three years ago in Chicago is a six-story structure with 611 rooms. It is steam heated, lighted by electricity and is thoroughly modern and sanitary in all of its equipment. There is a large reading room on the ground floor. This one is termed the workingman's palace—and the balance of these institutions are palaces of cleanliness and comfort to the men who make use of them. It is estimated that 1,496,887 beds have been supplied and 371,334 meals provided in these institutions.

Rescue Home Beacons Of Hope

Sixty-eight thousand girls, eight women disappeared from the streets of our cities last year. Six thousand from New York alone. Where are they?

Everywhere throughout the country the great problem of illegitimacy is confronting those who interest themselves in welfare work, but nowhere perhaps has it been met with the practical Christianity shown by The Salvation Army, which, through its twenty-six Rescue and Maternity Homes in the United States returns to health, hope and sanity every year, approximately 2,000 unfortunate girls.

A Salvation Army Rescue Home is open to any girl who needs its protection and who otherwise would be forced along the paths to which only heartbreak, despair and disgrace can point. Once admitted, the past is closed behind her, the future thrown open with hope and courage, while besides the best of physical care she receives the spiritual and mental regeneration necessary if that physical care is to have its best effect.

Besides the best of prenatal and maternity care, the girl receives adequate opportunity for convalescence and assistance in finding work, which in many cases will not separate her from her child, on the ground that just as this responsibility is part of the blessing so is it part of the cure. In these new opportunities for work the girl's history is forgotten and the future thrown open with such hope and courage that the bitterness and resentment brought into the Home are replaced by a steady hope and courage not only to be carried away with her but to be transfused in her influence among those whom she meets.

To the motorist who has quit guessing about tires—

THE U. S. NOBBY TREAD

Where the going is specially heavy with snow, mud or sand, in hilly country where maximum traction on the road is a factor, no other tire tread yet devised is quite so effective, or so wholly approved by motoring opinion, as the U. S. Nobby Tread.

Its very simplicity—two diagonal rows of oblong studs, interlocking in their grip on the road—is the result of all the years of U. S. Rubber experience with every type of road the world over.

ALONG about this time of year a man finds his motoring neighbors getting anxious about their tires. With folks expecting old tires to "pop" any minute, there comes the question of what kind of new ones to buy.

U. S. Tires are answering a lot of questions like this nowadays.

* * *

The U. S. Tire following embraces two kinds of tire buyers.

Those who *started* with quality *first*, and have never bought anything else but the *quality standard tire.*

Those who came to *quality first* only after dabbling with "bargains," "rebates," "job lot" and "surplus stock" tires.

* * *

Getting one hundred cents value on the dollar in tire buying is a straight-forward business proposition—not guess-work or a game of wits.

The most essential man for you to know today is the local U. S. Tire dealer who is *concentrating* on a full, completely sized line of U. S. Tires.

He gets his U. S. Tires straight from his neighboring U. S. Tire Factory Branch—one of 92 such Branches established and maintained all over the country by the U. S. Tire makers.

* * *

He is the man who can give you fresh, live tires—not stuff shipped to him from some point where it did not sell, but *new* tires of current production.

Giving the same quality, selection and price-advantage to the owner of the medium weight car as the big car owner gets. With equal service and buying opportunity whether he lives in the smaller localities or the greater centers of population.

"The most essential man for you to know today in the tire business is your local U. S. Tire Dealer."

ALLEN'S FOOT-EASE DOES IT.

When your shoes pinch or your corns and bunions ache so that you are tired all over, get Allen's Foot-Ease, the antiseptic powder to be shaken into the shoes and sprinkled in the foot bath. It will take the sting out of corns and bunions and give instant relief to Smarting, Aching, Swollen, Tender feet. 1,500,000 pounds of powder for the feet were used by our Army and Navy during the war. Sold everywhere.

WARNING

Unless you see the name "Bayer" on tablets, you are not getting genuine Aspirin prescribed by physicians for 21 years, and proved safe by millions.—Say "Bayer"!

say BAYER Aspirin

SAFETY FIRST! Accept only an "unbroken package" of genuine "Bayer Tablets of Aspirin," which contains proper directions for Headache, Earache, Toothache, Neuralgia, Colds, Rheumatism, Neuritis, Lumbago, and pain generally. Strictly American!

Handy tin boxes of 12 tablets cost but a few cents—Larger packages.
Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.

WATER FOR FIRES BEFORE COUNCIL

(Continued from page one)

Ennco Fire Engine Company to purchase the city service truck of the Relief Company for $7,000 for the city of Harrisonburg, Va., provided the city would purchase an aerial truck for $14,700.

Ordinance providing for flagmen to precede all trains of the Southern Railway Company operating on Henry street was defeated. The Alexandria County Lighting Company asked council that they be permitted to continue the rates now in operation which expire June 1, 1921. In their communication they set forth that it is imperative that the present rates be continued. They also set forth that the actual net revenue of the company last year had decreased $6,097.81, as compared with March 31, 1920.

It was referred to the joint committee on finance and light. Councilman Baggett introduced an ordinance fixing a license tax of $10 a year on each bus operating between here and Washington and it was adopted.

Councilman Downham submitted a report from Corporation Attorney H. Noel Gardner relative to mandamus proceedings to compel the Alexandria Water Company to lay mains to George Washington Park and the matter was referred to a special committee composed of Mr. Downham and the finance committee. Communication fro mthe city engineer relative to renewal of rails and cross ties on King street. It andria Waetr Company to lay was referred to the street committee

A supplemental assessment against the Alexandria County Lighting Company covering electric meters committed from returns in 1917, 1918 and 1919, was presented and referred to the finance committee.

An ordinance to provide for the sal of $300,000 of bonds was recommended by the finance committee and referred to that committee. It provides for a sinking fund. The Mayor at the last meeting of common council recommended the issuing of $600,000 of bonds.

A nordinance to compel the Southern Railay Company to place flagmen preceding all trains on Henry street, was dfeated.

Russell Mitchell Post, Veterans of Foreign Wars, petitioned council for the use of the Friendship Fire Engine House and it was referred to the public property and finance committees.

The sum of $720 was appropriated for construction of a sewer on Fayette street between Queen and Princess streets.

Other matters presented follow William Priest granted permission for garage in rear of 1023 Queen street; William R. Smith granted permission for garage in rear of 805 Cameron street; permission granted Colonial Pretzel Company to erect shed in rear of 1626 Duke street; resolution of Councilman McCaffrey to place high school grounds under control of school board adopted and this also amended to include Parker Gray School; petition of J. D. Normoyle to erect addition to house 528 North Columbus street referred to street committee; resolution to borrow $25,000 to tide city over for fiscal year was adopted; ordinance amending an ordinance relative to curbs and gutters was adopted ordinance amending traffic ordinance for parking of automobiles on King street was reported on adversely and the report was adopted.

Supreme Council to Mark Time Until Harding Acts

London, April 27.—The stage is being set for the Supreme council session of the Saturday, but the German offer to Washington holds the spotlight. The delgates will only marek time till the status of the German offer is known definitely.

BOARD OF ALDERMEN (Official)

At a regular meeting of the Board of Aldermen held Tuesday, April 26, 1921, there were present—F. F. Marbury, Esq., president, and Messrs. Anderson, Robinson, Ballenger, Harrison Summers, Wilkins and Batcheller. The following papers laid over under the rules. Resolution loaning the Gas Works $35,000, also appropriating $4,000 for sweeping streets and removing ashes was passed by the following vote: Ayes, 8; noes, 0.

Mr. Ballenger from the lower board appeared and invited the Board of Aldermen to joint session for the purpose of hearing from Mr. D. J. Howell of the Alexandria Water Company. Resolution borrowing $25,000 was laid over under the rules.

Resolution granting the permission to the following parties to erect garages; W. R. Smith, 805 Cameron Street; Colonial Pretzel Co., 1026 Duke Street; W. M. Priest, 1023 Queen Street. Resolution appropriating $720 for sewer northward on Fayette Street toward Princess Street. Communication from the Alexandria Water Company. An ordinance amending an ordinance approved May 30, 1916. Resolution placing school grounds under the supervision of the school board.

An ordinance to amend an ordinance regulating the parking of automobiles on King Street was non-concurred in and returned to lower board. Petition from Russell Mitchell Post No. 609. Communication from K. W. Ogden regarding an aerial truck.

An ordinance providing for the issuing of $300,000 worth of bonds. Petition from J. D. Normoyle to repair and alter house No. 528 N. Columbus Street. Communication from E. C. Dunn, city engineer, regarding the tracks of Wash. Va. Ry. Co. An ordinance that Section 108 be amended. Communication from H. N. Gardner, Corp. Atty. regarding water in George Washington Park.

Communication from Geo. E. Warfield, President Alexandria County Lighting Co.

An ordinance for the inspecting of buildings.

Communication from State Corporation Commission.

F. F. Marbury,
President.

W. W. Ballenger,
Clerk, Pro. Tem.

COMMON COUNCIL (Official)

At a regular meeting of the Common Council of Alexandria, Va, held April 26, 1921, there were present H. R. Burke, Esq., pres., and Messrs McCaffery, Matter, Ruben, Ticer, Downham, Desmond, Drury, Sullivan, Ballenger, Fletcher, Deavers, Lawler and Baggett.

A communication from the Alexandria Water Company, requesting that they be allowed to appear before the City Council to explain water conditions in the city, was received, and upon motion of Mr. Desmond the Board of Aldermen convened in Joint Session and Mr. D. J. Howell, general manager of the company was granted the privilege of the floor. Dr. Clide West was nominated and elected bacteriologist and Miss Margaret Davis was nominated and elected nurse, all voting (19) Mr. McCaffery not voting. The Joint Session then dissolved.

A resolution appropriating $720 for a sewer, Fayette Street north of Queen Street was recommended by the Joint Committee on Sttreets and Finance, and passed. Ayes, 14; noes, 0.

An ordinance amending an ordinance approved May 30, 1916, relating to construction of gutter and sidewalks was recommended by the Committee on Streets and read the second and third time and passed. Ayes, 14; noes, 0.

A resolution making the School Board agents of thte City Council to control land owned by the city around the Public High School Building and the Parker Grey School, was recommended by the Joint Committee on Schools and Public Property and passed. Ayes, 14; noes, 0.

Permissions were granted Wm. M. Priest, metal garrage, rear of 1023 Queen Street, and to

Mr. Wm. R. Smith, metal garrage, rear of 805 Cameron Street, and to

The Colonial Pretzel Co., shed rear of 1026 Duke Street.

An ordinance amending an ordinance relating to parking of automobiles on King Street was reported by the Committee on Streets unfavorable and the report was adopted This was returned from the Board of Aldermen. Non-concurred in, and referred to the Committee on Streets. Council non-concurred in the action of the Board of Aldermen.

An ordinance for the protection of railroad crossings at intersections on Henry Street was recommended by the Special Committee and lost.

The Joint Committee on Fire, Streets, Finance and General Laws reported recommending that all speed laws governing fire apparatus be revoked by an ordinance to be prepared by the Corporation Attorney. A motion by Mr. McCaffery, that the recommendation of the Committee be not adopted resulted as follows. Ayes, Messrs. McCaffery, Ticer, Downham; Baggett, Lawler, Burke, 6; noes, Messrs. Matter, Ruben, Desmond, Drury, Sullivan, Ballenger, Fletcher, Deavers, 8. The President ruled that the report was in form of new business and required nine votes to pass. Mr. Desmond appealed from the ruling of the chair. The clerk put the quesiton, "Shall the decision of the chair be sustained?" which resulted as follows: Ayes, Messrs. McCaffery, Matter, Ticer, Downham, Desmond, Baggett, Ballenger, Lawler, Deavers, 9; noes, Messrs. Ruben, Drury, Sullivan, Fletcher, 4; and the President was sustained.

The resignation of Kenneth W. Ogden, chief of the Fire Department, was received and laid on the table.

A statement from thte Corporation Attorney relating to the suit against the Alexandria Water Co. was received and referred to the Special Committee and Finance Committee.

The following was referred to the Committee on Finance: A resolution by Mr. Baggett to assess license against bus lines operating in the city.

An ordinance to provide for the issue and sale of three hundred thousand dollars ($300,000) of registered or non registered coupon bonds called Gas Works, Public Improvement, and General Fund Bonds.

A report from the State Corporation Commission enclosing supplemental assessment against the Alexandria County Lighting Co. for the years 1917, 1918, and 1919.

A resolution to borrow $25,000 to pay claims for the present fiscal year was recommended by the Finance Committee and passed. Ayes: Messrs Matter, Ruben, Ticer, Downham, Desmond, Drury, Sullivan, Ballenger, Lawler, Fletcher, Deavers, Mr. President, 13. Noes, 0.

The following was referred to the Committee on Streets:

An ordinance to amend an ordinance for the inspection of buildings approved March 12, 1920.

A communication from the City Engineer relating to paving and removal of rails and cross tires of the Wash. Va. Railway Co. within the city limits.

A petition from J. D. Normoyle to repair dwelling No. 528 N. Columbus street.

A petition from the Alexandria Co. Lighting Co. to continue the present increase in lighting rates in the city. was referred to the Joint Committee on Lights and Finance.

A communication from the Chief of the Fire Department recommending the sale of the present city's truck and the purchasing of an aerial truck aws referred to the joint committee on Fire and Finance.

A proposition from Post No. 69 Veterans of Foreign Wars to take over the old Friendship Engine House on South Alfred Street, was referred to the Joint Committee on Public Property and Finance.

The Board then adjourned.

H. R. Burke,
President.

"Good old Piedmont!"

THEY keep changing things around, Piedmont, but they haven't changed YOU!

You're just the same good sort—ripe, rich Virginia tobacco—and there's none better.

We like you for what you are—tobacco with character, with a "zest" and "sparkle" all your own.

For real smokin', we'll take YOU every time!

Liggett & Myers Tobacco Co.

Piedmont CIGARETTES

Air-Tight Tins of 50

Ask your dealer to show you the new vacuum-sealed tins of 50 Piedmonts. A compact, convenient and absolutely AIR-TIGHT packing—the cigarettes keep fresh indefinitely.

"SEEING THE TOWN"

Just at dusk two country boys, hatless, coatless and shoeless, staggered into the Salvation Army headquarters in Baltimore, begging for money.

One was past talking, the other claimed they had run away from home to see the town, and that they had been robbed of their money and clothes on the boat that brought them from their home on the Eastern Shore. Bad whiskey and worse company had reduced these lads of 16 and 20 to a pitiable condition.

The Salvation Army officer took them in, got them into bed and a day or so later, when sobered up and repentent they worked at several jobs to pay for their keeps and were then persuaded to return to their homes again, and not risk an appearance in court for drunkenness and vagrancy while "seeing the town."

WHY BE WEAK AND NERVOUS

as a result of pale, thin watery blood—Nuxated Iron will help make you strong and well again; it has been used and highly endorsed by former United States Senators, Judges of U. S. Courts, many physicians and prominent men. Even the Pope at Rome has written especially of the merits of Nuxated Iron in a communication to the Pharmacie Normale. Over 4,000,000 people are using it annually to help build red blood, strength and endurance. At all druggists.

FOR LUMBAGO

Try Musterole. See How Quickly It Relieves

You just rub Musterole in briskly, and usually the pain is gone—a delicious, soothing comfort comes to take its place.

Musterole is a clean, white ointment, made with oil of mustard. Use it instead of mustard plaster. Will not blister.

Many doctors and nurses use Musterole and recommend it to their patients.

They will gladly tell you what relief it gives from sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest. Always dependable.

MUSTEROLE
WILL NOT BLISTER

FOR ITCHING TORTURE

Use Antiseptic Liquid Zemo

There is one remedy that seldom fails to stop itching torture and relieve skin irritation and that makes the skin soft, clear and healthy.

Any druggist can supply you with Zemo, which generally overcomes skin diseases. Eczema, itch, pimples, rashes, blackheads, in most cases give way to Zemo. Frequently, minor blemishes disappear overnight. Itching usually stops instantly. Zemo is a safe, antiseptic liquid, clean, easy to use and dependable. It costs only 35c; an extra large bottle, $1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skins.

ANNUAL MEETING

The annual meeting of the stock holders of the Lanston Monotype Machine Company will be held at the Elks Home, corner Prince and Royal Streets, Alexandria, Va., at twelve o'clock noon, on Thursday, the 5th day of May, 1921, for the purpose of transacting such business as may properly come before it.

Transfer books will be closed on April 25th at four o'clock p. m., and will be reopened on May 10th at ten o'clock a. m.

By order of the Board of Directors,
28-19c W. Arthur Selman, Secty.

INGROWN TOE NAIL TURNS OUT ITSELF

A noted authority says that a few drops of "Outgro" upon the skin surrounding the ingrowing nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward about over night. "Outgro" is a harmless, antiseptic manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions.
